all

Speaker

Dr. Anja Hochberg

- Head Multi-Asset Solutions at Swisscanto Invest by ZKB

Our speaker today

- Dr Anja Hochberg
Head of Multi Asset Solutions for Swisscanto Invest by Zürcher Kantonalbank since 1 January 2020.
With her teams, she manages discretionary assets of app. 23 bn CHF.
- Prior to joining Zürcher Kantonalbank, she had worked for Credit Suisse in responsible management positions since 2001. As head of the economics department, she was responsible both for traditional economic research and for the analysis and forecasting of all macroeconomically driven asset classes.

In 2009 she was appointed Head of Investment Strategy of the Asset Management Division and in 2013 she was appointed "Chief Investment Officer Europe (incl. Switzerland)".

From 2016, she headed the global product department and from 2018 she focused on sustainable and impact products for institutional and private investors.

Our speaker today

- Dr. Anja Hochberg is an active advisory board member of Fondsfrauen, a network of and for women in asset management.
- She is married, mother of a 14year old daughter and a passionate member and supporter of Borussia Dortmund.
- She has studied economic history, economics and law in Berlin, finished successfully a postgrad study at the College of Europe in Brugge and was awarded a PhD in Economics and Management Science from the University of Wales where she also lectured for 4 years before joining the financial service sector.
